ABOUT MITTSURE

Mittsure Technologies is a revolutionary Ed-tech startup providing digital solutions to schools and institutions with various other facilities. The primary objective of Mittsure is to connect more and more schools, resulting in the benefit of schools, staff, students and parents.

To extend the learning, we collaborate with different schools through our interactive Mittsure Books. With the recommendation of using Mittsure Books in schools, we provide schools access to free ERP software that manages every need of your school on a single platform. Our ERP software helps schools manage their day-to-day activities anytime, anywhere, in just a few clicks. With the help of ERP, we get this feature accomplished for the schools.

Our Core Values

Mittsure has been vigorously working on the development of schools and providing the best resources for the empowerment of students, parents, and teachers. Mittsure is also working at delivering a better education system to the students and facilitating seamless communication between all.

Being an education startup, Mittsure is on a mission to connect more individuals and make the education system digitalized for everyone.

What We Do

- Offering a dedicated e-commerce platform 'MITTSHOP' for schools and institutions to purchase infrastructure-related equipment like digital boards, projectors, laptops, computers, CCTV, IT devices, GPS systems, and Bio-metric machines at an affordable rate. Students can also purchase other items like Guitar, Robotics Kit, Keyboard, Flute, Tabla, Yoga Kit, and accessories related to various courses.

- Providing a common forum where schools can benefit from purchasing and selling used school-based items such as buses, used machines, tables and chairs, blackboards, and other items to save money.

- We also develop Robotics lab, English lab, Computer lab and Digital classrooms.

- Offering innovative solutions like counselling students with the help of Nano Technology and providing mentoring to parents. Additionally, we offer planetarium activities, Olympiads, quizzes, vocabulary quizzes, and other related activities to the associated schools.

- Providing some other benefits like installation of the solar plant (without investment) in the schools to reducing electricity bills, Loan & EMI facility to the schools and parents to manage child fees, organizing science projects and sports tournaments at the District/State/National Levels. The best Science Projects of a specific grade students can be funded and mentored by Mittsure.

- Offering another service - 'Talent Hunt' that promotes unique skills of

students by providing district and national level opportunities.

We at Mittsure are motivated each day by our mission and vision to move forward and strive to be more and more socially relevant.

Our mission is to become the "SEAL OF TRUST" for the Indian education system by revolutionizing access to our dedicated e-commerce platform designed especially for the school-based infrastructure to provide world-class education.

Our vision is to inspire a world of unlimited learning through our Ed-Tech solutions and help 50,000+ schools reach their maximum potential by the next year.

The Mittsure Journey

Started the Journey from Rajasthan in 2019, just before the pandemic, and after reaching 8 states and associated with more than 12000 schools, we are now present in 25 States.

With an extended team of 300 marketing Staff and more than 100 technocrats, we are here to help solve the problems of schools and provide them with the feasibility of the solutions.

Many of the above and other initiatives have already been executed, and some are in planning for execution. The planning list also includes training the teachers through various Workshops on Skills development & new aid techniques in the Education sector and empowering them with the latest tech-savvy methodologies.

A revolutionary digital platform that works for the welfare of society, providing an Empathy Scheme to the students registered with Mittsure books.

Jai Hind!
"Transforming Education through Digital Technology Platform by Mittsure!"

ABOUT THE PROMOTERS

Mr. Manoj Mittal

The man with a mission is a business tycoon, yet a social activist at heart.

He is the Chairperson of **Anand International College of Engineering**, which is one of the topmost engineering colleges in India, which imparts world class educational facilities and a world class faculty at a very affordable price.

He also chairs and nurtures the **'Anand Incubation Centre'** that helps students with the business ideas and concepts which can, germinate and blossom into new startup companies through a constant round-a-clock back up of comprehensive business support systems.

He has added his legendary insight into the education realm and has steered this sector into challenging waters by adding new horizons to the vision and dimensions of this enormous domain. He has also led **Sanjiv Prakashan** (biggest publishing house in Rajasthan) as a copartner to enviable heights of glory.

With the help of **Mittsure Technologies** his vision is to empower society and schools with best-in-class equipments and steer ahead the social-economic development of the nation.

Ms. Ishita Mittal

She is always at the forefront of creating new frontiers and loves to lead from the front.

As the Director and a Computer Science graduate, she is a visionary who is charting the new growth path for **Mittsure Technologies** with her grace and elegance.

Mr. Yash Mittal

He is ambitious and a fresh prospect for looking at transforming young India

As the Youngest Director, who is pursuing Computer Systems Engineering from Middlesex University, Dubai, provides valuable inputs to **Mittsure Technologies** to charter growth of new avenues and business opportunities.

SCHOOLS

1. Empowering with **high-tech infrastructure** with end-to-end digitization of process.
2. Designed **"School management software module (ERP)"**.
3. **Branding for schools** through aggressive marketing.
4. Teachers **skill** development program.

STUDENTS

1. Excellent **Digital learning** methodologies.
2. World class learning management systems.
3. Talent Box - Various skill & online talent development activities.
4. Nurturing student's **talent** digitally.

SOS-The Panic Button

Overall development of society by giving a better education system.

Facilitating Seamless Communication Between All

TEACHERS

1. Empowering teachers with **latest tech savy teaching methodologies**.
2. Enhancing student-teacher **communication** interface.
3. **Grooming** on communication & presentation skills.
4. User **friendly** teacher's resource manual.

PARENTS

1. **Mentoring**.
2. Easy to access child's **performance/attendance/ homework**.
3. Complete record of the child on **finger tips**.

BENEFITS OF RECOMMENDING MITTSURE BOOKS FOR SCHOOLS

- School Management Software Modules (ERP) will be made available to the school by Mittsure to solve their day-to-day problems faced by the management of the schools.
- Interactive digital education platform for all classes are available-
    a. All subjects 'Fun2Learn' animated digital content for beginners (Nursery to UKG).
    b. For Class 1 to 4 almost every subject have animated digital content & some main subject have pre-recorded digital content from well qualified teachers.
    c. Informative Digital Classroom sessions based on hourly lectures comprising entire syllabus from class 5 onwards.
- Hi-tech online classroom sessions in the absence of a teacher.
- Comprehensive digital Teacher's Manual for all subjects to help teachers.
- Offering an extensive range of online programs of skill development and technology awareness for teachers.
- If an earning parent dies in an accident, then the upcoming 3-years school tution fees and school books will be given free by Mittsure to that student according to terms and conditions*.
- In order to develop talent and other activities, Mittsure will provide atleast 20 multifacted coaching videos (Mehndi, Vocal Music, Personality Development, Yoga, Aerobics, Instrumental Music, Art & Craft, Abacus, etc.).

- Mittsure will assist in the promotion of the schools to increase their brand equity.
- Mittsure will offer a dedicated e-commerce platform 'MITTSHOP' for schools and institutions to purchase infrastructure-related equipment like digital boards, projectors, laptops, computers, CCTV, IT devices, GPS systems, and Bio-metric machines at an affordable rate.
- Mittsure will provide a common forum where schools can benefit from purchasing and selling used school-based items such as buses, used machines, tables and chairs, blackboards, and other items to save money.
- Mittsure is Associated with many brands, agencies, and startup associations under its umbrella, working on the grounds of educational development, valuing the relationship to fulfill the joint goal.
- Mittsure will organise science project competitions for the schools preferring Mittsure books for classes 9 to 12 once in a year. Cash prizes will be awarded to the winning (First, Second, Third) teams.
- Mittsure will organise a sports competition once a year for its affiliated schools in which the winning team will be awarded cash prizes and will also be encouraged to advance further in sports.
- If your school recommends Mittsure Books; and on the other hand, another school in your city does not recommend Mittsure books; the admissions of the later will get attracted towards your school.

*T & C apply.

FEATURES OF SCHOOL ERP SOFTWARE MODULES

Our ERP software modules use modernized techniques and methodologies that strive to ensure the automation of school management processes. These well-developed software modules provide flourishing opportunities for schools, teachers, students and parents. Details of ERP software modules that we provide are listed below:

1. **LESSON PLAN**

    This special feature contains important guidelines and procedure for teaching lessons in a systematic way. With the help of your school teachers you can generate sessionwise yearly lesson plans for each class and subject. However, the school will have the flexibility to revise/alter the lesson plan as per their yearly session schedules. The school principal can easily check the status of a particular course of a class on a single click to verify the timelines or delays (if any) as per schedule.

2. **DATA MANAGEMENT**

    Now, schools can keep their records & data up to date on the Cloud Server provided by Mittsure. It will help them access their data anytime, anywhere instead of handling multiple excel files or paperwork.

3. **COMMUNICATION**

    Now, sending messages to groups via web/mobile app or SMS is very simple.

    (i) **Group Alerts:-** Send alerts to a specific group at just one click.

    (ii) **Individual Alerts:-** Simplified search feature to send Individual alerts.

    (iii) **Teacher/Staff Alerts:-** Communicate to a teacher/staff or all on the click of a button.

    (iv) Up to 10,000 SMS Pack will be available on complementary basis (annually).

4. **ATTENDANCE**

    Marking attendance of students by Admin or Teacher App is a very important feature.

    (i) **Attendance Alerts:-** Make the Attendance system strong and effective with automated absent alerts to parents.

    (ii) **Attendance Report:-** Automated reports based on daily attendance

    (iii) **Leave Management:-** Parents can apply for leave from an app which directly goes to Admin and Teacher for approval/denial.

5. ENQUIRY MANAGEMENT

Managing enquiries for future references are very easy. School can keep track of enquiries, communicate via SMS with parents, and generate a list of enquiries as and when required.

6. HOMEWORK

Subject Teachers can upload their subject Homework/Assignment on App/Website (only to the classes they teach) and it gets shared with parents instantly.

7. GALLERY

School can add the collection of photos and videos (via YouTube link) of any events, games, etc., in the Gallery module via web/mobile app to make the Parents/Students get memories of the events.

8. CALENDAR

(i) School can maintain the list of important events and holidays under this module. All the events/holidays being held at the school will be visible to Parents/Principal/Admin.

(ii) The Calendar automatically shows a reminder one day prior to the Parent on Parent app.

9. FEEDBACK

Under this module, grievance handling and Parent's feedback/views can be taken to ensure a healthy relationship with Parents.

10. NEWS/CIRCULARS

Any News or Circular can be shared to the Parents/Students under this Module.

11. ADMIN WEB/APP BASED INTERFACE

(i) Communication:-Now, you can send an SMS to parents anytime, anywhere without any hassle.

(ii) Managing School at Your Fingertips:- This app provides Data Security and transparent financial management. It manages completely all the information and records of the school on a single app. It will also assist to increase the efficiency of the staff.

(iii) Web based interface (website) will be available for respective logins.

12. TEACHER WEB/APP BASED INTERFACE

(i) **Attendance:-** Now, the teachers can mark the real-time attendance on our app in their classes.

(ii) **Leave Management:-** Teachers can approve/deny the leave applied by their class students.

(iii) Web based interface (website) will be available for respective logins.

13. STUDENT WEB/APP BASED INTERFACE

(i) The students can receive their Homework/Assignments on this app/website.

(ii) App is available on both Android and Apple iOS platforms.

(iii) Web based interface (website) will be available for respective logins.

14. PARENT WEB/ APP BASED INTERFACE

(i) A parents can view their ward's attendance, performance, communication, time table, school events, PTMs, and overall reporting on their Smartphones

(ii) App is available on Android and Apple iOS platforms.

(iii) Web based interface (website) will be available for respective logins.

15. FEES MANAGEMENT

(i) Now, maintain your complete fee management system by sending SMS to the parents for fee deposit, fee default, etc.

(ii) View Fee ledger of a student at a single click.

16. REPORTS

(i) **Attendance Report:-** Student/Staff Attendance reports can be generated.

(ii) **Students Report:-** Various reports related to Students can be generated in a few seconds.

(iii) Message Delivery Reports

(iv) Fee Reports (Paid, Outstanding)

(v) And other day-to-day reports.

17. TRANSFER CERTIFICATE

School can generate TC of any student who left the school, in our specific format in just a few clicks.

18. USER MANAGEMENT

Creating logins for staff members of different departments with the modules allotted to them is very simple. (e.g. Accountant login, Front Office login, Teacher login, etc.)

19. SOS- THE PANIC BUTTON

(i)   The Panic SOS button is only available in Mittsure Parents application.

(ii) The Panic SOS button functionality will notify the five registered emergency numbers and able to send a text messages with google maps location in case of emergency.

(iii) The user can add/edit anytime upto 5 Emergency contact numbers of his/her choice to be notified in crucial time.

(iv) During emergency, the user can simply press Panic Button once and it will start countdown of 6 seconds to execute notification to registered numbers. Also, the User can cancel the notification request anytime during countdown, if pressed mistakenly.

(v)   If the user is in emergency, he can press the SOS twice to skip 6 seconds execution process and send notification of current location on real time basis.

(vi) The SOS will send current location to the emergency numbers and update the current location in every 2 minutes with the help of internet/mobile data.

(vii) In case of no internet connection available the user has to click one time to send the location through text messages.

(viii) The user may get facility in future to activate the video feature to record by the user's phone camera and also share the video recording at the time of emergency.

(ix) The user can click the "Safe Now" button as & when gets out of crisis situation. Also, user may send the text message to all the emergency contacts as an response to show safe condition.

20. ONLINE EXAMS

Mittsure offers Online Examination System is a technology-driven way to simplify examination activities like defining exam patterns with question banks, defining exam timer, objective question sections, conducting exams using the computer (Web /App) or mobile devices (Mittsure Parents App) in a paperless manner.

This can be either done at an examination center or at home.

OUR TALENT BOX

Our Talent Box focuses on inculcating creativity in our learners. Here, we provide various activities in the form of digital videos to flourish 'Skill & Development' in the students using our latest technology.

MITTLEARN
OLYMPIAD

Mittsure will organize Olympiad competitions for the schools. Certificates will be awarded to the participants which can be further used to showcase their talent on a global platform. These will be held for all the classes and levels at a nominal cost. Mittsure will also help the students to prepare for these by providing the required support of training and learning, wherever required.

QUIZ PROGRAMMES

School Quizzes will be organized by Mittsure. These will include Subjects such as Maths, GK, Grammar, Science, Spellings and Vocabulary, and other nuances as well.

FINANCING FOR SCHOOLS

Mittsure helps schools to finance their expansion with the help of our finance partners, who provide all types of secured & un-secured loans.

FEE COLLECTION SOLUTIONS

Mittsure helps the schools in getting their annual fee at the beginning of the year. Schools can tie-up with our partner to get the fee at Discount 9-10%. This will help the school get funds in the beginning of the year, reduce collection expenses & increase admissions. The parents will pay the fee at no-cost monthly EMI.

For More Details

TALENT NURTURING

Nurturing the talents of the students by providing a digital platform to grow and show their skills.

SKILL ENHANCEMENT

Helping the teachers to learn the skill enhancement techniques like grooming their communication and presentation skills, as per the requirements.

MENTORING

Mentoring the parents by helping them with updates and details for their child's progress and other support as per the requirements.

ROBOTICS LAB

Robotics is the new age dimension of learning, and we encourage and assist schools in setting up robotics labs by offering complete Robotics Lab Solutions. We make this possible through our in-house Robotics course and as low as 5 to 7 robotic kits, which are pre-requisites for the course. Mittsure-associated schools are already availing these benefits.

SCIENCE PROJECTS

Mittsure will organize science project competitions for the schools registered with mittsure platform This is for the classes 9 to 12 and will be held once in a year. Cash prizes will beawarded to the winning teams(First, Second, and Third). In addition to this, if a student's project can be transformed into a start-up, Mittsure will provide funding and other needful amenities for the successful completion of the project.

Mittsure Features – Rich Tablets

☑ Mittsure offers various features in tablet with Smart Learning Application for accessing digital content and videos.

☑ The digital content and video are filtered as per latest prescribed syllabus for respective class.

☑ User can easily download and store the digital content and watch these digital content at anytime and anywhere.

☑ 64 GB SD Card filled with digital content remaining can be seen online or can be downloaded in the tab by clearing some space.
